BAKERY & Deli

From Olympic Bakery and Deli

Let's be honest: it's a make-or-break year, here at the Bakery. We have no intention of breaking, however. With the help of our loyal customers, our plan is to "make it" — once and for all. In February, we're re-launching, with a new look inside and out, and a new baking schedule that promises those early bird shoppers warm pastries, right out of the oven every morning.

We're also coming up with new ways to thank those who've been there for us all of these years. Ask about our new Loyalty Card — ten punches means \$10 in tasty baked goods for you to enjoy. Also, look for the return of our popular Coffee Card program. We'll be trying out new promotions and specials, too. The first week of every month, we'll focus on breads: buy two loaves of bread, and get a

third of equal or lesser value for free! And to help introduce you to our delicious new cinnamon rolls, we'll be selling them two-for one every Wednesday in February!

We're filling the cases with new and exciting products, and continuing to stock those tried and true favorites, too, all on a rotating basis. Look for cake specials in the case, too!

We're excited to re-introduce you to just how delicious we can make your day. Let us know what you think! And, as always, if there is a special treat you've been looking for, or maybe a favorite that we haven't made in a while, all you have to do is ask. We're here for you. And we want to sincerely thank each and every one of you for your continued support of your only local, from-scratch Bakery.

We love good times here at the Bakery. This month, we're featuring two special events sure to make you smile. First, on the 18th, we will be hosting our annual Sweetheart's Wine Tasting. Rumor has it that there might be something extra-sweet about the event,

this year! Buy your tickets now!

We're also bringing some of the fun of Mardi Gras to the Bakery on the 21st. Stop by for some of Rockin' Rita's famous Gumbo. We'll also be baking challah crowns and king cakes — be sure to

order yours early!

And what would Mardi Gras be without a little wine? Pick up a special bottle for your celebration, today! Add some beads and a little Zydeco, and we'll be having a hot time, this winter!
